

Capacity Markets, NERC, and Hydropower Presentations Given at APPA Legal Seminar

October 20, 2014 | Rebecca J. Baldwin, Cynthia S. Bogorad, Lisa G. Dowden, William S. Huang

Several Spiegel attorneys presented at this year's American Public Power Association Legal Seminar, held October 19–22, 2014, in San Antonio, Texas.

- “Capacity Markets and Resource Adequacy,” by Lisa Dowden, Anjali Patel, and Latif Nurani
- “Risk-Based Registration: A Ray of Hope For Rationalizing NERC Compliance Obligations,” by Cindy Bogorad and Rebecca Baldwin
- “Making the FERC Hydro Process Work for Public Power,” by William Huang and Katie Mapes

The presentations are posted here. Click Download Attachment for links to each of the presentations.
