

Getting Awesome (and Legal) Shots: Drone Law Primer

September 10, 2015 | James N. Horwood

Jim Horwood and Frances Wade co-authored the attached paper on legal uses of drones for use in video photography. They presented it at the National Association of Telecommunications Officers and Advisors' annual conference, held September 8–11 in San Diego.

Getting Awesome (and Legal) Shots: Drone Law Primer, by Jim Horwood and Frances Wade, National Association of Telecommunications Officers and Advisors 2015 Annual Conference (Sept. 10, 2015).
