

## NERC's Definition of the Bulk Electric System

October 14, 2012 | Cynthia S. Bogorad

Spiegel attorneys Cindy Bogorad and Latif Nurani presented a paper on the North American Electric Reliability Corporation's Bulk Electric System definition at the American Public Power Association's 2012 Legal Seminar. The presentation was made as part of a pre-seminar workshop entitled "NERC Issues for Public Power Utilities." Both a <u>slide presentation</u> and paper are available.
