“The Same Numbers, Constantly in a State of Flux”—Transmission Return on Equity

May 7, 2018 | *David E. Pomper*

David Pomper appeared on a panel at the Energy Bar Association’s 2018 Annual Meeting and Conference. The panel, “State of Flux – Analyzing Recent Transmission ROE Decisions and the Impacts on Transmission Return on Equity,” also featured former Federal Energy Regulatory Commission (“FERC”) Commissioner Suedeen G. Kelly, now at Jenner & Block; Robert S. Kenney, Vice President, Pacific Gas & Electric; and Nina Plaushin, Vice President, ITC Holdings Corporation. The panelists discussed two recent appellate decisions on the return on equity for electric transmission companies (*California Public Utilities Commission v. FERC*, 879 F.3d 966 (9th Cir. 2018), and *Emera* Maine v. FERC, 854 F.3d 9 (D.C. Cir. 2017)), and related ongoing litigation at FERC. You may read David’s presentation slides at the link below.
