Cindy Bogorad Speaks on Panel About Transmission Reform

October 13, 2021 | *Cynthia S. Bogorad*

Spiegel partner Cindy Bogorad spoke on October 12 at a virtual panel at the Energy Bar Association's 2021 Mid-Year Energy Forum. The panel, entitled "Beyond Order 1000: New Horizons in Transmission Planning Under FERC's ANOPR," addressed FERC's advance notice of proposed rulemaking, which contemplates revisiting rules governing planning for electric transmission, allocation of costs, and the interconnection of new resources.
